INT'L CERTIFIED EXHIBITION 국제전시 한국전시산업진흥회 국제인증전시회

ELECTRIC | ENERGY | ENVIRONMENT

국제 전기전력 전시회

EPTK 2026

ELECTRIC POWER TECH KOREA

06(Wed) ▸ **08**(Fri), May 2026

COEX Hall C

Organizer

Korea Electrical Engineers Association

K FAIRS EVENT ORGANIZER

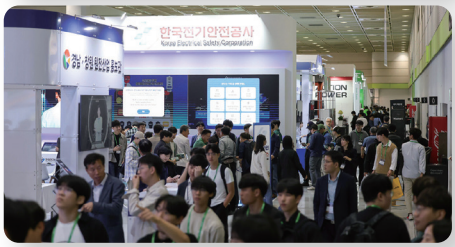
SeoulMESSE

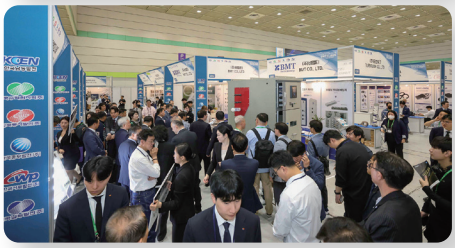
SMART & CO., LTD.

Powered by KEPCO and the Six Major Public Generation Companies, Directly Connecting End-Users and Industry Leaders

/ Exhibition Overview /

Name	Electric Power Tech Korea 2026
Date	06 (Wed) – 08 (Fri), May 2026 (3 days)
Venue	Seoul COEX Hall C / Conference Room
Organizer	Korea Electrical Engineers Association K FAIRS · SeoulMESSE · SMART & CO., LTD.
Sponsor	Ministry of Trade, Industry and Energy KPX KOREA POWER EXCHANGE · KERI KOREA ELECTROTECHNOLOGY RESEARCH INSTITUTE · KOREA ENERGY AGENCY KESCO · KEA 대한전기협회 KOREA ELECTRIC ASSOCIATION · KECA KSGA Korea Smart Grid Association · KBIZ Korea Electrical Manufacturers' Cooperative · KNEP KIEE The Korean Institute of Electrical Engineers · KIPE THE KOREAN INSTITUTE OF POWER ELECTRONICS · KIEEME The Korean Institute of Electrical and Electronic Material Engineers The Korean Institute of Illuminating and Electrical Installation Engineers · KEWIC 한국전선공업협동조합 · KSGI
Supporter	KEPCO KOEN KOREA SOUTH-EAST POWER CO. · KHNP KOREA HYDRO & NUCLEAR POWER CO., LTD · EWP KOREA EAST-WEST POWER CO.,LTD. KOMIPO KOREA MIDLAND POWER CO.,LTD. · KOWEPO KOREA WESTERN POWER CO., Ltd. · KOSPO KOREA SOUTHERN POWER CO.,LTD.





/ Exhibits /

Power Generation & Nuclear Plants
- Thermal, cogeneration, nuclear, and gas power generation systems and infrastructure.
- Storage and management systems(including management software and automated control).
- Diagnostic and safety management systems(e.g., radiation safety systems, EMS).

Smart Grids & Distributed Energy
- Demand response and virtual power plant systems(DR, VPP).
- Smart metering and distributed resource management systems.
- Small modular reactors(SMRs).

Energy Efficiency & Management Systems
- Energy management systems(EMS, FEMS, BEMS).
- High-efficiency energy devices and equipment.
- ESS management systems.

LED Lighting
- Lamps, lighting fixtures, and control devices.
- LED components and materials.
- Inspection, measurement, and testing equipment.

Electric Power Facilities
- Transmission and distribution systems(e.g., power conversion and monitoring control devices).
- DC power and uninterruptible power supply(UPS, private generators, fuel cells).
- Transportation power equipment(infrastructure for electric vehicles and railways).

Eco-friendly Renewable Energy
- Solar, wind, hydrogen, and bio-energy generation systems.
- Energy storage and management systems.
- Upcycling and recycling solutions.

Electric Vehicle Charging Infrastructure
- EV charging stations and connectors.
- Remote metering infrastructure.
- EV charging technology.

Key Achievements in 2025

217 Companies
478 Booths

18 Countries
28,222 Person Visit

Number of Business Meetings :
Domestic **6,223**
International **410**

Major Buyer Company at EPTK 2025

Ministry of Science and ICT · Ministry of Land, Infrastructure and Transport · KORAIL KOREA RAILROAD · Korea Expressway Service · Seoul Metro · 인천교통공사 Incheon Transit Corporation · Incheon Airport · LH KOREA LAND & HOUSING CORPORATION
SH 서울주택도시공사 · GYEONGGI HOUSING & URBAN DEVELOPMENT CORPORATION · K water · KAC KOREA AIRPORTS CORPORATION · PUC Pyeongtaek Urban Corporation · KR KOREA NATIONAL RAILWAY · Seoul Facilities Corporation · KAIA Korea Agency for Infrastructure Technology Advancement
TIPA Korea Technology and Information Promotion Agency for SMEs · ETRI Electronics and Telecommunications Research Institute · KERI · TESLA · SAMSUNG ELECTRONICS · SAMSUNG DISPLAY · GS E&C · DAEWOO E&C

HYUNDAI STEEL · HD HYUNDAI INFRACORE · Hanwha · Hanwha Systems · posco · posco E&C · SAMHWA Air Conditioning Engineering · DOHWA ENGINEERING

/ How To Exhibit /

Procedure

1	2	3	4
Online Application via Website	Payment of Deposit within 7 Days after Contract 50% of the total participation fee	Final Payment by March 27(Fri)	Application and Payment for Additional Facilities By April 10 (Fri)

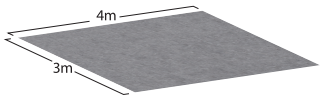
/ Booth Information /

Booth Fee (VAT excluded)

Booth Type	Booth Fee	Early Bird Discount ※ Limited to the First 10 Companies	Classification
Raw Space	USD 4,800/booth	USD 3,600/booth	Space Only
Shell Scheme	USD 5,280/booth	USD 5,280/booth	Space + Basic booth scheme
Premium Scheme	USD 6,240/booth	USD 4,500/booth	Space + Premium booth scheme

Booth Type

- **Raw Space**
  Space Only



» Raw Space(Space Only) Information

Only space is provided Basic Unit

- 12m² (4m × 3m)
- Minimum requirement of raw space is 24m²
- Exhibitors are responsible for the design and construction of the stand, using Coex designated service providers.

- **Shell Scheme**

» Shell Scheme Information

Basic Unit

- 4m × 3m × 3.5m(H)

Shell Scheme includes

- Fascia board with company name & booth number
- Outlet (220V, 2 sockets)
- 2 Spotlights
- Back & side walls
- Pytex Flooring
- Information Desk/Chair, Trash Bin (1 ea)

- **Premium Scheme**

» Premium Scheme Information

Basic Unit

- 4m × 3m × 3.75m(H)

Premium Scheme includes

- Premium block Structure
- Pytex Flooring
- HQI Lighting
- BL Insert Lighting
- Outlet (220V, 2 sockets)
- 3D Logo Sign
- Printed Graphic
- Bar Stool
